Ex Parte Submission

**RE: Petition for Rulemaking Filed by AT&T to Make 800 Cellular Base Station
Power Rules Consistent with Rules for Other Mobile Broadband Services,
WT Docket No. 12-40**

Dear Ms. Dortch:

On March 16, 2017 Joan Marsh, Senior Vice President Federal Regulatory and Rachael Bender, Legal Advisor to Chairman Pai spoke by telephone about Verizon's March 15, 2017 ex parte. While AT&T will assess the Verizon proposals, the changes being sought are substantive and AT&T is opposed to making substantive changes to the draft this late in the process.

In accordance with section 1.1206(b)(2) of the Commission's rules, this letter is being filed electronically with your office. Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Linda Vandeloop". The signature is fluid and cursive, written over a light gray rectangular background.

cc: Rachael Bender
